ABOUT US

WHO WE ARE

Midwest Maintenance is an underground repair company serving Southeast Michigan celebrating our 30th year. Our company provides underground repairs, Vac Truck Services, all manhole repairs including storm system repairs, inspections and maintenance.

WE ARE NOW OFFERING CAMERA LOCATOR SERVICE IN ADDITION TO STORM DAMAGE CLEAN UP AND REMOVAL OF DOWN TREES & POND BRUSH CLEARING.

WHY CHOOSE US

Midwest Maintenance works to identify underground problems and provides repairs for Homeowner Associations, Property Managers, Contractors, Cities/Municipalities and many other businesses in Michigan.

We are dedicated to customer service and we work with you to resolve your underground problems and concerns.

We are members of the Better Business Bureau and carry the highest **A+ rating** since 1995. In addition we are a member of the Livonia Chamber of Commerce.

OUR SERVICES

MAN HOLE REPAIR

We provide repairs, preventative maintenance on all Manholes & Catch Basins. We can minimize your liability, prevent manhole collapse and extend the life of your storm system.

Midwest Maintenance can inspect your storm system and create reports that incorporate maintenance & repair recommendations. We are available for emergency services.
